

Verse 1

Jesus Savior of the world
Shining light where darkness hides
Soothing balm for aching hearts
Living hope for weary lives

Chorus

So we raise our voices loud
Blessed Savior, blessed Savior
To the only Son of God
Jesus Savior of the world

Verse 2

For you hung upon that cross
Stretching out your loving hands
As you paid the awful price
That our debt of sin demands

(chorus)

Verse 3

But the tomb could not contain
The only Savior of the world
You destroyed the gripping power
That the dreadful curse had held

(chorus)

Verse 4

May the people of the earth
Look upon you and be saved
For your mercy freely flows
As your blood did on that day

(chorus)
